DEAR DR CLARK

9-18-16

How Are you. I'm Sure you Remember Me.
It's [REDACTED] Mrs Clark. Remember my Tweet most joke.
How Can you Forget Right.

DR CLARK. My Roommate Steven Melise
ID# 838-12 IS NOT Well. He Has ALOT of problems with
His Neck Including A pinched nerve AND Two spinal
Diseases All Documented AND OCCASSIONALLY Falls off The
Top Bunk. I've seen for myself That He Is experiencing
ALOT of Trouble getting up and down The ladder Also.
If you Could please Help Him in Any way I would
Really Appreciate It. He Is A Decent person AND NOT
A Trouble maker And Could Really Use your Help.

If you Could Find it in your Heart
Please Help Him. I Have Told Him That you Are
NOT ONLY A BEAUTIFUL person on The outside But Also
ON The inside AND A Honorable person AND If He
Needs A Bottom Bunk medically Then you will Receive
ONE.

NOT TO TAKE up your Time Any Further But
We All Can Use A good laugh Now + Then. Why were
E.T's Eyes SO Big?

He Saw The Phone Bill!

I Have A great Day.

Sincerely,

#17
